<b>Selected source texts for translation (January 2023, v 1.0)</b>																																																																																																																																																																																																																																																																																
Project applications are invited for the following texts, selected as appropriate for the first phase of translation according to criteria set out in 84000's Editorial Policy document. Please note that project applications for other texts not listed here and not marked in the Reading Room title lists as in progress will also be considered on their individual merits. Translators who select, as a potential project, texts not included in this list, are advised to contact the grants committee for preliminary approval before spending time preparing a proposal, in case their selected text has been identified by 84000 as being unsuitable for current open applications.
